She is married and her husband works in Technopark Trivandrum. She knows Tally and also English and Tamil Typewriting.

When asked for anything they need in particular from the college C.T. Jaberlin asked for TET and coaching classes and S.V. Anisha asked to TNPSC classes. I understood that she was asking this because of the difficulty in getting a government employment.

I enjoyed the meet and I asked the mentee to fill the mentee details form and send me a scanned copy. It is good that I have completed a report with my mentees.
