**PTA GENERAL BODY MEETING AND ORIENTATION PROGRAMME  
HELD ON 13/07/2022**

The Annual General Body Meeting called by the PTA, Muslim College of Education for the academic year 2022-2023 was held on 13/07/2022 in the seminar hall from 10.00 a.m. to 1.00 p.m.

Secretary Lion. Dr. H. Mohamed Ali, Principal Dr. V. S. Pramod and the guest speaker of the meeting presided over the meeting.

Mrs. Merline Jaya warmly welcomed everyone and the meeting begins with prayer song to invoke Almighty God's loving presence. Principal in his speech spoke about the crucial role the PTA plays bridging the gap between the student teachers' home and the college. The PTA's collaboration with the management of the college ensures a successful year all around. Principal expressed his deepest gratitude and appreciation to the PTA for this.

Mr. Rajasekaran, President of the PTA read out a brief synopsis of the activities undertaken by the PTA in the last academic year. He then presented the audience with the previous academic year's financial report of the PTA as well. In his speech on positive parenting, took a deep look into the soul of parenting. He urged parents to instil in their children good values to make them true global citizens, tolerant and kind. Bringing up children who finally make a difference to other people's lives can be called truly successful individuals, he said.

The meeting concluded with vote of thanks proposed by Mrs. Valsala, Assistant Professor in Biological Science. The meeting concluded with National Anthem.

## MICRO TEACHING – SKILL DEVELOPMENT

from 18/07/2022 – 25/07/2022

Teaching is not an easy profession. Teachers must possess the skills necessary to teach young students and keep them engaged and attentive throughout a class.

Teaching courses come with a test that aspiring teachers must clear to become teachers. Trainee teachers are evaluated based on certain skills that they should possess to become teachers. Examiners, students, externals and co-teachers are present to evaluate them. This test is known as micro-teaching. Micro-teaching skills are essential in teacher training courses. These skills help determine an aspirant's future. There are different types of micro-teaching skills that to-be teachers must learn to become successful. The different types of micro-teaching skills play a significant role in the professional development of teachers. Some of the microlearning skills are as follows:

1. The Skill of Introduction
2. The Skill of Explaining
3. The Skill of Questioning
4. The Skill of Stimulus Variation
5. The Skill of Reinforcement
6. The Skill of Illustration
7. The Skill of Blackboard Writing
8. The Skill of Achieving Closure
9. The Skill of Demonstration

Muslim College of Education conducted skill development programme for B.Ed. first year student teachers from 18/07/2022 to 25/07/2022 at 10.00 a.m.

The skill development programme was organized as it determines the student teachers to get trained and well-groomed to carry out their duties effectively. It helps them to develop self-confidence, speech modulation and expressive abilities. They learn time management, improve body language, imbibe a positive attitude and improve communication skills, which are very important when taking up teaching as a profession.

Microteaching is a highly individualized training device and an experiment in the field of teacher education which has been incorporated in the practice of teaching schedule. The students are providing immediate feedback in terms of peer group feedback, tape recorder, or CCTV. Micro teaching is a student teaching skill training technique and not a teaching technique or method. Student teachers are asked to practice one skill at a time. The class size was reduced to 5 to 10 students. The content was limited to a single

concept. Microteaching is micro in the sense that it scales down the complexities of real teaching. Micro teaching advocates the choice and practice of one skill at a time.

## FRESHERS DAY 29/07/2022

Every student eagerly awaits right from their time of admission for their most remarkable event of the college "FRESHER'S DAY". The 29th of July 2022 was a memorable day in the life of every fresher of academic year 2022-2023 batch at Muslim College of Education. The fresher's day was filled with excitement, joy, music, enthusiasm, laughter and happiness.

It is the day where seniors and juniors finally bond and unite to celebrate being part of the college. Student teachers were welcomed with so much of enthusiasm by second year student teachers.

The inauguration of event started at 2.00 p.m. in the seminar hall of MAC, by prayer followed by Tamil Thai Vazhthu. Our secretary Lion. Dr. H. Mohamed Ali delivered the inaugural speech, Principal Dr. V. S. Pramod welcomed the fresher's.

Fresher's along with their seniors got chance to showcase their talent by stunning ramp walk, and also various dance performances like solo, duo, group dances. Later small games were organized to make the function more tricky and fun.

The event was finally concluded with vote of thanks by Miss. Athira. Refreshments were served in after the program.

## Environmental Awareness Programme – Exhibition of Pollution 10/08/2022

Exhibitions are a way for students to simply make their learning relevant and tangible by celebrating their knowledge, skills, and experience with a larger audience. A science exhibition is a wonderful tool that engages students in learning new facts. It develops curiosity to learn and it also provides a platform for students to use their scientific knowledge and take the best invention from their brains. It also allows students to work together in groups and learn from each other. In today's era, education is not only confined to reading and writing, it is now linked to the holistic development of children.

1st year B.Ed. student teachers of Muslim College of Education, Thiruvithancode organised an exhibition on the topic "Pollution" on 10/08/2022 at Seminar Hall from 10 A.M. to 3.00 P.M. The programme was inaugurated by our respected Secretary, Lion. Dr. H. Mohammed Ali. Our Principal, Dr. V. S. Pramod appreciated the programme and gave a motivational speech about Environmental Pollution - the most serious problem facing humanity and other life forms on our planet today.

In exhibition student teachers designed various models related to different types of pollution, ecosystem, and climatic change and gave descriptions of the models. The exhibition was organised under the guidance of Mrs. J. Prija Phyllis, Assistant Professor in Education.

Principal, teacher educators and students went around looking at the different models designed by the student teachers. Principal and the teacher educators congratulated all the student teachers who participated in the exhibition

### Independence Day 15/08/2022

Independence Day is celebrated on 15th August, is a significant national holiday in India. It marks the day when the country gained independence from British rule in 1947. This day reminds us of the sacrifices and courage all men and women took to free our country from the Britishers. This day we pay tribute to those freedom fighters who laid down their lives for the sake of the motherland.

On August 15, 2022, Muslim College of Education celebrated Independence Day, where students, faculties, and staff members paid tribute to the nation and freedom fighters of India. It is a remarkable day when we honor and respect all our freedom fighters who fought for India's freedom.

The celebrations started with flag hoisting by our Joint Secretary Mr. Absul Fiaz. The chief guest of the event was Dr. S. Dawn Dharma Roy, who delivered an inspiring speech. The program continued with the chief guest being honored and cultural programs.

The program concluded with a vote of thanks, and sweets were distributed to all the students and staff members.

### Field Trip to Trivandrum 19/08/2022

A change in the learning space can spark an interest in learning. A field trip or excursion is a journey taken by a group of people to a place away from their usual environment. In education, field trips are defined as visits to an outside area of the normal classroom and made by a teacher and students for purposes of firsthand observation. Field trips are a popular method carried out by students to introduce concepts, experiences, and ideas that cannot be given in a classroom environment. The purpose of the field trip is to give students firsthand experience that cannot be had in the classroom. On field trips, students can see, hear and experience things. Through a field trip, students receive various experiences that are not possible in a classroom setting. Hence, a field trip is an outdoor lesson in action. Thus, a field trip is an effective way to improve pedagogical methodologies.

Educational Field Trips can be associated with a variety of benefits for teachers and student teachers. Field trips provide student teachers with developing personalities and professionalism. Educational field trips help student teachers to widen their horizons of knowledge.

As part of the B.Ed. curriculum, student teachers of Science Stream went for a field trip on 19/08/2022. This one-day programme aimed to develop aesthetic sense, imagination and creativity in students. The places visited were Chitralaya Museum, Kochuveli and Lulu Mall.

There were around 50 student teachers from each optional - English, Tamil, Mathematics, Physical Science, Biological Science, History and Computer Science. Teachers from each option are also accompanied by the student teachers. Everyone assembled in the college by 6.30 a.m. There was a silent prayer before the journey and then the student teachers as well as the teachers had a wonderful time on the bus.

Everyone was filled with a lot of excitement and did not want to go back. On the whole, the trip was awesome. We all had a fantastic time and it was very helpful for developing the aesthetic sense, exploration skills, imagination, and co-operation among the students. The teachers were also happy that everyone reached back safely and there were not many problems during the journey. To conclude, the trip was very informative, effective and at the same time memorable. So, organizing such field trips will be very helpful for students to learn new things through observation, exploration and interaction.

### Anti-Ragging Day: Poster Making Competition conducted on 26/08/2022

"Ragging is any disorderly conduct, whether by words spoken or written, or by an act which has the effect of teasing, treating or handling with rudeness any student, indulging in rowdy or undisciplined activities which cause or are likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the psyche of a fresher or a junior student."

After the death of a first-year student from Jadavpur University allegedly linked to ragging, University Grant Commission has asked colleges and universities to observe anti-ragging week from August 12 to August 18. The institutions of higher education are directed to implement anti-ragging measures already spelt out in detail by the UGC and also to organize orientation and induction programmes with a view to encourage students to follow anti-ragging steps on the campus.

Under the direction of UGC and Tamil Nadu Teachers Education University, Muslim College of Education, Thiruvithancode has conducted a poster making competition on "Anti-Ragging" to educate about the evils of ragging and also to spread positive vibes among the students in the college premises. The competition was held on 26/08/2022 in the seminar hall for students to spread positive ideas among them. The Competition was inaugurated by our respected Secretary, Lion. Dr. H. Mohammed Ali. Our Principal, Dr. V. S. Pramod gave an introductory speech on anti-ragging.

A total of 12 teams actively participated in the competition and made this event successful. The competition was from 2.00 P.M to 3.45 P.M. The competition was coordinated by Mrs. J. Prija Phyllis, Assistant Professor in Education. Principal and the faculties appreciated the students for their active participation. The posters were evaluated based on the creativity and the message they provided.

## Teachers' Day celebration – Greeting card making competition 02/09/2022

Teachers' Day in India was celebrated on 5th September to commemorate the birth anniversary of Dr. Sarvepalli Radhakrishnan, a renowned scholar, recipient of Bharat Ratna, first Vice-President, and second President of independent India. Dr. Radhakrishnan became President of India in 1962 and he was approached by some of his friends and students to allow them to celebrate his birthday on 5 September. Dr. S. Radhakrishnan responded, "Instead of observing my birthday discretely, it would be my pompous privilege if 5th September is scrutinised as Teachers' Day". Such a request coming from the President of India clearly showcased Dr. S. Radhakrishnan's affection and dedication to teachers. From then onwards, India celebrates Teachers' Day on 5th September.

As the common adage goes, the future of a country lies in the hands of its children, and teachers, as mentors, can mould students into future leaders who shape the destiny of India. Teachers play an important role in our lives in helping us to become successful in our careers and businesses. They help us to become good human beings, a better member of society, and an ideal citizen of the country. Teacher's Day is celebrated to acknowledge the challenges, hardships, and special roles that teachers play in our lives.

To celebrate the birthday of Dr. Radhakrishnan, Muslim College of Education, Thiruvithancode celebrated Teachers Day by conducting a "Greeting Card Making Competition" on 02nd September, 2022 in the Seminar Hall from 10.00 a.m. to 1.00 p.m. The programme was inaugurated by our respected Secretary, Lion. Dr. H. Mohammed Ali. Our Principal, Dr. V. S. Pramod appreciated the programme and gave a motivational speech about the Role of Teachers. A blend of exceptional creativity and imagination was displayed by the student teachers. Student teachers have participated with great enthusiasm and zeal. It was a wonderful sight to witness the creations of student teachers who with their great fingers weave magic on paper. The competition aimed at promoting creativity and self-expression among students.

### Greeting Cards

A greeting card is a piece of card stock, usually with an illustration on or photo, made of high-quality paper featuring an expression of friendship or other sentiment. Although greeting cards are usually given on special occasions such as birthdays, Christmas or other holidays, such as Halloween, they are also sent to convey thanks or express other feelings. Students created different types of Greeting cards.

Some of them are as follows.

- Standard
- Handmade
- Photo
- Personalised
- Reusable
- Sound-based or Musical
- Electronic

- Quilling Cards
- Pop-up
- Printable
- Get Well
- Fabric

The competition was organised under the guidance of Mrs. J. Prija Phyllis, Assistant Professor in Education and Miss. J. Shirly, Assistant Professor in English. Student teachers designed various models of different types of greeting cards. The greeting cards were evaluated based on creativity, words, colour combination, craft work and neatness by Mrs. J. ThangaBai, HOD, Department of Fashion Technology and Mrs. A. Ananthi, Assistant Professor, Department of Fashion Technology. Principal, teacher educators and students went around looking at the different models designed by the student teachers. Principal and the teacher educators congratulated all the student teachers who participated in the competition.

### Onam Celebration – 06/09/2022

Onam Festival is the most famous festival celebrated in Kerala, India. The harvest festival of Kerala also called the festival of rain flowers is a ten-day long festival celebrated with fervor across Kerala. It is celebrated during *Chingam* (a month in Malayalam calendar) that usually starts between mid-August and lasts up to mid-September. The Onam Festival is organized in the 1st month (Chingam) of the Malayalam Calendar and is celebrated over 10 days during Kerala's month of Chingam. Onam festival is celebrated to honor King Mahabali who visits "Kerala" at the time of Onam.

Muslim College of Education celebrated the festival of flowers on 06/09/2022 from 10.00 a.m. to 1.00 p.m. Teacher trainees made floral decorations called pookkolam that are placed on the ground to welcome King Mahabali. As an indispensable part of the festival, Onam Sadhya, a vegetarian meal comprising of many traditional dishes were served on a banana leaf to all.

## Diwali Celebration – Food festival conducted by Health club on 15/11/2022

Diwali, the Festival of Lights, is a time when every corner of India shimmers with a warm, radiant glow. Diwali was observed by lighting small oil lamps known as 'diyas' in honor of Lakshmi, the goddess of wealth and good fortune. The lamps symbolize the triumph of light over darkness and evil. Homes are adorned with vibrant decorations, streets are illuminated by thousands of lamps, and hearts resonate with joy and anticipation. But in the midst of all the festivities, there's something truly special about Diwali – the importance of sweets, not just as culinary delights but as symbols of love, sharing, and togetherness.

Food festivals throughout the world are often based on traditional farming techniques and the seasons of the year. Food festivals are related to food culture of an area, whether through the preparation of food served or the time period in which the festival is celebrated.

On account of Diwali celebrations Muslim College of Education, Thiruvithancodeorganised a Food Festival on 15/11/2022 at 10.00 A.M to 1.00 P.M. The Food festival was inaugurated by a ribbon cutting ceremony of our respected Principal, Dr. V. S. Pramod. All the student teachers and faculties participated in the festival by preparing healthy, tasty dishes and many more using traditional recipes. Principal and faculties appreciated the student teachers for their active participation.

## WORKSHOP ON THEORETICAL AND PRACTICAL ASPECTS OF YOGA

Yoga is an ancient physical, mental and spiritual practice that originated in India. The word 'yoga' derives from Sanskrit and means to join or to unite, symbolizing the union of body and consciousness.

Today it is practiced in various forms around the world and continues to grow in popularity.

Recognizing its universal appeal, on 11 December 2014, the United Nations proclaimed 21 June as the International Day of Yoga by resolution 69/131.

The International Day of Yoga aims to raise awareness worldwide of the many benefits of practicing yoga.

The draft resolution establishing the International Day of Yoga was proposed by India and endorsed by a record 175 member states. The proposal was first introduced by Prime Minister Narendra Modi in his address during the opening of the 69th session of the General Assembly, in which he said: "Yoga is an invaluable gift from our ancient tradition. Yoga embodies unity of mind and body, thought and action ... a holistic approach [that] is valuable to our health and our well-being. Yoga is not just about exercise; it is a way to discover the sense of oneness with yourself, the world and the nature."

Muslim College of Education organized one week workshop on Yoga programme for the students in the seminar hall on 30/12/2022. Students participated with full interest, enthusiasm and eagerness.

Every day the session began by seeking the blessings of the Almighty. Asanas starting with warming up and stretching were followed by a series of Padmasanas, Sukhasan, Tadasana, BhujangAsana and ending with Shavasana. Exercises for relieving stress, reducing joint pain and enhancing the flexibility of the back were also done.

Principal Dr. V. S. Pramod conveyed the importance of making yoga an integral part of our daily life by extending the practice of yoga beyond the mat. Each day the session concluded with an interactive session between the instructor and the students in which the queries of the students were addressed satisfactorily. The one-week programme was very refreshing, reviving and relaxing.

## CONSUMER AWARENESS PROGRAMME – SAVE ENERGY

Consumer Awareness is a demonstration of ensuring that the purchaser or buyer is aware of the data and information about the items, products, administrations, and buyer's rights.

The Consumer Protection Act of 1986 was enacted by the Constitution to protect customers from any promotional misbehaviour. Consumer awareness is crucial today because of the following reasons.

- The consumer is the most important factor in many businesses. No firm can function without consumers, as their satisfaction is the primary purpose of any business activity.
- Nowadays, conducting any business is not just about making money; it is also about transforming society into a better version by putting its welfare first.
- Consumer protection rights promote a strong competitive market that supports financial progress. It protects acceptable or fair commerce or exchange from harmful exchange practices and deceptive entrepreneurs.
- Shoppers are an important component of the market structure. It is critical to protect their privileges and rights in order to have a decent or fair market.

### Key benefits of Consumer Awareness

1. **Easier Onboarding of Consumers** – Awareness enables customer success managers to serve every customer at scale by utilising primarily automated technologies. You will be able to onboard many consumers with the least amount of labour and resources this way.
2. **Reduction Of Support Cost** – Another advantage of customer education is that it lowers support expenses. Support teams waste endless hours answering the same questions repeatedly, resulting in decreased work satisfaction and increased support expenditures.
3. **Consumer Loyalty** – The more significant the perceived value of your product, the less likely customers would search for an alternative offering. When customers become loyal to a brand, the cost of goods sold for recurring purchases falls below the cost of obtaining a new client.
4. **Consumer Satisfaction** – Customer education allows your customers to learn enough about your product, raising customer happiness while decreasing complaints and product returns.
5. **Brand Value** – Many businesses avoid consumer awareness because they are afraid that educating their customers will inform them so much that they will shop and choose an alternative. As a result, consumers will have greater faith in your brand and will be more ready to reward you with positive feedback and promote you to others.

## Environmental Awareness Programme – Exhibition of Pollution 10/08/2022

Exhibitions are a way for students to simply make their learning relevant and tangible by celebrating their knowledge, skills, and experience with a larger audience. A science exhibition is a wonderful tool that engages students in learning new facts. It develops curiosity to learn and it also provides a platform for students to use their scientific knowledge and take the best invention from their brains. It also allows students to work together in groups and learn from each other. In today's era, education is not only confined to reading and writing, it is now linked to the holistic development of children.

1st year B.Ed. student teachers of Muslim College of Education, Thiruvithancode organised an exhibition on the topic "Pollution" on 10/08/2022 at Seminar Hall from 10 A.M. to 3.00 P.M. Mr. J. Shanu, Board Member of Food Science, M.S. University and Assistant Professor at HMSC, Muslim Arts College was invited as the resource person to conduct a programme on vegetable carving for student teachers. The workshop was very informative, interactive and interesting. He explained all the methods of carving in a stepwise manner which was easy to grasp and demonstrate. Participants of the programme together made carvings using vegetables and fruits. He also taught how to create a bouquet out of vegetables and greens. The programme was very useful and learnt basic carvings like rose, spirals, different kind of flowers out of carrot, cucumber, beetroot, raddish etc. The programme was found to be more beneficial and student teachers can implement these skills in practical sessions and in their future career life.

## ELECTORAL LITERACY – 28/03/2023

In democracy, it is not simply enough to inform voters about election dates. In order to help the electorates take an informed decision, it is quintessential to sensitise them about the importance of participating in the electoral process. Moreover, voters need to be educated about the process and made aware of the political parties, their manifestos, backgrounds of the contesting candidates and armed with several other information to help them cast an 'enlightened' vote. To sensitize the voters about the importance of participation in an electoral process and to ensure a responsive, accountable and democratically elected government of India has decided to celebrate January 25 every year as 'National Voters' Day'.

IQAC, Muslim College of Education has conducted an Awareness programme on Voting on 28/03/2023 at 10.00 a.m. to 11.00 a.m. in the seminar hall to create voting awareness in common people with the significance to encourage more young voters to actively take part in the election process to create transparent democratic nation. This programme was conducted to create an awareness of voting among students. The programme started with prayer lead by Miss. Sahana. Our Secretary Lion Dr. H. Mohamed Ali presided over the function. Dr. V. S. Pramod, Principal welcomed the gathering. Sherlin Jenisha Raj delivered the welcome address. The Chief Guest of the Programme was Dr. C. Amose, Department of Public Administration, Muslim Arts College. Miss. Priya Malini delivered vote of thanks.

## Teachers' Day celebration – Greeting card making competition 02/09/2022

Teachers' Day in India was celebrated on 5th September to commemorate the birth anniversary of Dr. Sarvepalli Radhakrishnan, a renowned scholar, recipient of Bharat Ratna, first Vice-President, and second President of independent India. Dr. Radhakrishnan became President of India in 1962 and he was approached by some of his friends and students to allow them to celebrate his birthday on 5 September. Dr. S. Radhakrishnan responded, "Instead of observing my birthday discretely, it would be my pompous privilege if 5th September is scrutinised as Teachers' Day". Such a request coming from the President of India clearly showcased Dr. S. Radhakrishnan's affection and dedication to teachers. From then onwards, India celebrates Teachers' Day on 5th September.

As the common adage goes, the future of a country lies in the hands of its children, and teachers, as mentors, can mould students into future leaders who shape the destiny of India. Teachers play an important role in our lives in helping us to become successful in our careers and businesses. They help us to become good human beings, a better member of society, and an ideal citizen of the country. Teacher's Day is celebrated to acknowledge the challenges, hardships, and special roles that teachers play in our lives.

To celebrate the birthday of Dr. Radhakrishnan, Muslim College of Education, Thiruvithancode celebrated Teachers Day by conducting a "Greeting Card Making Competition" on 02nd September, 2022 in the Seminar Hall from 10.00 a.m. to 1.00 p.m. The programme was inaugurated by our respected Secretary, Lion. Dr. H. Mohammed Ali. Our Principal, Dr. V. S. Pramod appreciated the programme and gave a motivational speech about the Role of Teachers. A blend of exceptional creativity and imagination was displayed by the student teachers. Student teachers have participated with great enthusiasm and zeal. It was a wonderful sight to witness the creations of student teachers who with their great fingers weave magic on paper. The competition aimed at promoting creativity and self-expression among students.

### Greeting Cards

A greeting card is a piece of card stock, usually with an illustration on or photo, made of high-quality paper featuring an expression of friendship or other sentiment. Although greeting cards are usually given on special occasions such as birthdays, Christmas or other holidays, such as Halloween, they are also sent to convey thanks or express other feelings. Students created different types of Greeting cards.

Some of them are as follows.

- Standard
- Handmade
- Photo
- Personalised
- Reusable
- Sound-based or Musical
- Electronic

### Environmental Awareness Programme – Exhibition of Pollution 10/08/2022

Exhibitions are a way for students to simply make their learning relevant and tangible by celebrating their knowledge, skills, and experience with a larger audience. A science exhibition is a wonderful tool that engages students in learning new facts. It develops curiosity to learn and it also provides a platform for students to use their scientific knowledge and take the best invention from their brains. It also allows students to work together in groups and learn from each other. In today's era, education is not only confined to reading and writing, it is now linked to the holistic development of children.

1st year B.Ed. student teachers of Muslim College of Education, Thiruvithancode organised an exhibition on the topic "Pollution" on 10/08/2022 at Seminar Hall from 10 A.M. to 3.00 P.M. ## WORKSHOP ON THE PREPARATION OF LEARNING MATERIALS

12/04/2023

Muslim College of Education organized workshop on Teacher Learning Material on 12/04/2023 at the seminar hall from 10.00 a.m. to 4.00 p.m. The objective of the workshop was to orient teacher trainees and develop appropriate context-specific teaching-learning materials which can be used to enhance the quality of the teaching-learning process. Addressing the gathering Dr. V. S. Pramod, Principal, Muslim College of Education said that few of the possible hurdles that teachers face in doing the activities are – lack of material, lack of confidence, fear of an experiment failing in front of students etc. To overcome these, we thought of conducting this TLM workshop where we provide the material, and the space for experimentation and teamwork. The teacher trainees learn working in teams as well as benefit from the models prepared by other teacher trainees.

The teacher trainees' team learnt quite a bit through this workshop. The key learning is that experiments have to be done and the learning we gain especially when things do not turn out the way it is stated in the textbooks is of incomparable value. Teacher trainees also presented the papers on teaching learning material and explained the importance of teaching learning material in real teaching, how effectively we can use these, how to prepare, what are the characteristics of it, how it makes teaching process as effective.

The workshop was concluded with vote of thanks by Akshaya.

### Field Trip to Trivandrum 19/08/2022

A change in the learning space can spark an interest in learning. A field trip or excursion is a journey taken by a group of people to a place away from their usual environment. In education, field trips are defined as visits to an outside area of the normal classroom and made by a teacher and students for purposes of firsthand observation. Field trips are a popular method carried out by students to introduce concepts, experiences, and ideas that cannot be given in a classroom environment. The purpose of the field trip is to give students firsthand experience that cannot be had in the classroom. On field trips, students can see, hear and experience things. Through a field trip, students receive various experiences that are not possible in a classroom setting. Hence, a field trip is an outdoor lesson in action. Thus, a field trip is an effective way to improve pedagogical methodologies.

Educational Field Trips can be associated with a variety of benefits for teachers and student teachers. Field trips provide student teachers with developing personalities and professionalism. Educational field trips help student teachers to widen their horizons of knowledge.

As part of the B.Ed. curriculum, student teachers of Science Stream went for a field trip on 19/08/2022. This one-day programme aimed to develop aesthetic sense, imagination and creativity in students. The places visited were Chitralaya Museum, Kochuveli and Lulu Mall.

There were around 50 student teachers from each optional - English, Tamil, Mathematics, Physical Science, Biological Science, History and Computer Science. Teachers from each option are also accompanied by the student teachers. Everyone assembled in the college by 6.30 a.m. There was a silent prayer before the journey and then the student teachers as well as the teachers had a wonderful time on the bus.

Everyone was filled with a lot of excitement and did not want to go back. On the whole, the trip was awesome. We all had a fantastic time and it was very helpful for developing the aesthetic sense, exploration skills, imagination, and co-operation among the students. The teachers were also happy that everyone reached back safely and there were not many problems during the journey. To conclude, the trip was very informative, effective and at the same time memorable. So, organizing such field trips will be very helpful for students to learn new things through observation, exploration and interaction.

### Diwali Celebration – Food festival conducted by Health club on 15/11/2022

Diwali, the Festival of Lights, is a time when every corner of India shimmers with a warm, radiant glow. Diwali was observed by lighting small oil lamps known as 'diyas' in honor of Lakshmi, the goddess of wealth and good fortune. The lamps symbolize the triumph of light over darkness and evil. Homes are adorned with vibrant decorations, streets are illuminated by thousands of lamps, and hearts resonate with joy and anticipation. But in the midst of all the festivities, there's something truly special about Diwali – the importance of sweets, not just as culinary delights but as symbols of love, sharing, and togetherness.

Food festivals throughout the world are often based on traditional farming techniques and the seasons of the year. Food festivals are related to food culture of an area, whether through the preparation of food served or the time period in which the festival is celebrated.

On account of Diwali celebrations Muslim College of Education, Thiruvithancode organised a Food Festival on 15/11/2022 at 10.00 A.M to 1.00 P.M. The Food festival was inaugurated by a ribbon cutting ceremony of our respected Principal, Dr. V. S. Pramod. All the student teachers and faculties participated in the festival by preparing healthy, tasty dishes and many more using traditional recipes. Principal and faculties appreciated the student teachers for their active participation.

Muslim College of Education organized awareness program on Scout and Disaster Management on 17/04/2023 from 10 a.m. to 1.00 p.m. The resource person for the programme was P. Ramaswamy.

The programme was launched with a prayer song by the students. Dr. V.S. Pramod, Principal Muslim College of Education welcomed the chief guest. Secretary, Lion Dr. H. Mohamed Ali, honoured the chief guest. Miss. Sherin Shijoe welcomed the gathering.

Mr. Ramaswamy started the class at 10.30 a.m. and lasted till 1.00 p.m. In his class he mentioned about the Mission of Scout and Guide and its contribution to education for young people. He gave a brief description about the purpose of Scouting and its role to encourage the physical, intellectual, social, emotional and spiritual development of young people. He said about the motto of scout and its nine laws.

He then explained about Disaster Management and its categories, and a demo for preventive measures of earthquake, flood, etc.

He concluded that everyone must take an active part in disaster management to reduce the risk of human life.

## NAPKIN AWARENESS PROGRAMME

Menstruation and menstrual practices are still clouded by taboos and socio-cultural restrictions resulting in adolescent girls remaining ignorant of the scientific facts and hygienic health practices, which sometimes result into adverse health outcomes. Menstruation is a major part of life for millions of young girls and women worldwide. On average, a woman will menstruate for 3,000 days during her lifetime. However, the needs and challenges faced by many young women and girls as they struggle to manage their menstrual hygiene are largely ignored, especially in developing countries. This situation persists despite new developments in the hygiene and sanitation sector in recent years.

IQAC, Muslim College of Education conducted Napkin Awareness Programme on 22/04/2023 in the seminar hall at 10.00 a.m. The objective of the program was to enhance the knowledge regarding menstrual hygiene and increased the awareness among the students and the faculty members about menstrual hygiene.

The Guest Speaker for the program was Mrs. V. Nallina Priyanka and Miss. Angelin from ORIFLAME, Sweden. Both guests shared their vast experience, knowledge and their thoughts about menstrual hygiene and its taboos. The session lasted for 3 hours and proved to be very engaging and captivating for all the participants.

Around 130 students participated in the program along with staff. The event was a grand success, and everyone appreciated the opportunity and were aware about menstrual hygiene.
