Teachers' Day celebration – Greeting card making competition 02/09/2022

Teachers' Day in India was celebrated on 5th September to commemorate the birth anniversary of Dr. Sarvepalli Radhakrishnan, a renowned scholar, recipient of Bharat Ratna, first Vice-President, and second President of independent India. Dr. Radhakrishnan became President of India in 1962 and he was approached by some of his friends and students to allow them to celebrate his birthday on 5 September. Dr. S. Radhakrishnan responded, "Instead of observing my birthday discretely, it would be my pompous privilege if 5th September is scrutinised as Teachers' Day". Such a request coming from the President of India clearly showcased Dr. S. Radhakrishnan's affection and dedication to teachers. From then onwards, India celebrates Teachers' Day on 5th September.

As the common adage goes, the future of a country lies in the hands of its children, and teachers, as mentors, can mould students into future leaders who shape the destiny of India. Teachers play an important role in our lives in helping us to become successful in our careers and businesses. They help us to become good human beings, a better member of society, and an ideal citizen of the country. Teacher's Day is celebrated to acknowledge the challenges, hardships, and special roles that teachers play in our lives.

To celebrate the birthday of Dr. Radhakrishnan, Muslim College of Education, Thiruvithancode celebrated Teachers Day by conducting a "Greeting Card Making Competition" on 02nd September, 2022 in the Seminar Hall from 10.00 a.m. to 1.00 p.m. The programme was inaugurated by our respected Secretary, Lion. Dr. H. Mohammed Ali. Our Principal, Dr. V. S. Pramod appreciated the programme and gave a motivational speech about the Role of Teachers. A blend of exceptional creativity and imagination was displayed by the student teachers. Student teachers have participated with great enthusiasm and zeal. It was a wonderful sight to witness the creations of student teachers who with their great fingers weave magic on paper. The competition aimed at promoting creativity and self-expression among students.

Greeting Cards

A greeting card is a piece of card stock, usually with an illustration on or photo, made of high-quality paper featuring an expression of friendship or other sentiment. Although greeting cards are usually given on special occasions such as birthdays, Christmas or other holidays, such as Halloween, they are also sent to convey thanks or express other feelings. Students created different types of Greeting cards.

Some of them are as follows.

Field Trip to Trivandrum 19/08/2022

A change in the learning space can spark an interest in learning. A field trip or excursion is a journey taken by a group of people to a place away from their usual environment. In education, field trips are defined as visits to an outside area of the normal classroom and made by a teacher and students for purposes of firsthand observation. Field trips are a popular method carried out by students to introduce concepts, experiences, and ideas that cannot be given in a classroom environment. The purpose of the field trip is to give students firsthand experience that cannot be had in the classroom. On field trips, students can see, hear and experience things. Through a field trip, students receive various experiences that are not possible in a classroom setting. Hence, a field trip is an outdoor lesson in action. Thus, a field trip is an effective way to improve pedagogical methodologies.

Educational Field Trips can be associated with a variety of benefits for teachers and student teachers. Field trips provide student teachers with developing personalities and professionalism. Educational field trips help student teachers to widen their horizons of knowledge.

As part of the B.Ed. curriculum, student teachers of Science Stream went for a field trip on 19/08/2022. This one-day programme aimed to develop aesthetic sense, imagination and creativity in students. The places visited were Chitralaya Museum, Kochuveli and Lulu Mall.

There were around 50 student teachers from each optional - English, Tamil, Mathematics, Physical Science, Biological Science, History and Computer Science. Teachers from each option are also accompanied by the student teachers. Everyone assembled in the college by 6.30 a.m. There was a silent prayer before the journey and then the student teachers as well as the teachers had a wonderful time on the bus.

Everyone was filled with a lot of excitement and did not want to go back. On the whole, the trip was awesome. We all had a fantastic time and it was very helpful for developing the aesthetic sense, exploration skills, imagination, and co-operation among the students. The teachers were also happy that everyone reached back safely and there were not many problems during the journey. To conclude, the trip was very informative, effective and at the same time memorable. So, organizing such field trips will be very helpful for students to learn new things through observation, exploration and interaction.

Christmas Celebrations held on 22/12/2022

Christmas, is observed on December 25 every year. It is a joyful and joyful festival that honours the birth of Jesus Christ. Christmas encourages people to live happily, prosper, and with one another. People brightly lit up their homes and churches as a representation of Christ, who overcame sin's darkness and brought light to the world. A star that has been placed atop the tree also symbolizes the Star of Bethlehem. Children are especially excited about Christmas because they anticipate seeing Santa Claus and receiving gifts. An evergreen Fir tree is used for this occasion as a Christmas tree, and it is decorated with ornaments, lights, presents, etc. People visit churches at midnight on Christmas Eve to pray to Christ Jesus. Good Samaritans dressed as Santa Claus distribute gifts to children and the needy and also represents happiness, hope, and new beginnings.

Muslim College of Education, Thiruvithancode along with IQAC organised the joyful festival celebration of Christmas on 22/12/2022 in the Seminar Hall at 11 a.m. The programme was inaugurated by our respected Secretary, Lion. Dr. H. Mohamed Ali followed by prayer sung by Jasmin Shihana. S. Jaseena Yasmin J welcomed the gathering. Dr. V. S. Pramod, Principal, Muslim College of Education gave felicitation address about Christmas. Christmas message was delivered by S. Sherin Shijoe. Many cultural events like solo song, group song, solo dance, group dance, games, skit took place and it was really a day with great enjoyment. Jesmitha J, student proposed vote of thanks. The celebration came to an end with a cake cutting headed by Principal Dr. V. S. Pramod, faculties and the student teachers.

Christmas is a day where kindness and joy fill the air. It's a time to be grateful for the people we love and the magical moments we share. Muslim of College celebrated this wonderful day with laughter, love and warm wishes with the phrase "Merry Christmas".
