## WORKSHOP ON THEORETICAL AND PRACTICAL ASPECTS OF

# YOGA

Yoga is practiced in various forms around the world and continues to grow in popularity.

Muslim College of Education organized one week workshop on Yoga programme for the students in the seminar hall from 16/10/2023 to 21/10/2023. Students participated with full interest, enthusiasm and eagerness.

Every day the session began by seeking the blessings of the Almighty. Asanas starting with warming up and stretching were followed by a series of Padmasanas, Sukhasana, Tadasana, Bhujang

Asana and ending with Shavasana. Exercises for relieving stress, reducing joint pain and enhancing the flexibility of the back were also done.

Principal Dr. V. S. Pramod conveyed the importance of making yoga an integral part of our daily life by extending the practice of yoga beyond the mat. Each day the session concluded with an interactive session between the instructor and the students in which the queries of the students were addressed satisfactorily. The one-week programme was very refreshing, reviving and relaxing.

## Food festival and Rangoli Competition on 08/11/2023

Diwali, the Festival of Lights, is a time when every corner of India shimmers with a warm, radiant glow. Diwali was observed by lighting small oil lamps known as 'diyas' in honor of Lakshmi, the goddess of wealth and good fortune. The lamps symbolize the triumph of light over darkness and evil. Homes are adorned with vibrant decorations, streets are illuminated by thousands of lamps, and hearts resonate with joy and anticipation. But in the midst of all the festivities, there's something truly special about Diwali – the importance of sweets, not just as culinary delights but as symbols of love, sharing, and togetherness.

Food festivals throughout the world are often based on traditional farming techniques and the seasons of the year. Food festivals are related to food culture of an area, whether through the preparation of food served or the time period in which the festival is celebrated.

On account of Diwali celebrations Muslim College of Education, Thiruvithancode organised a Food Festival on 08/11/2023 at 10.00 A.M to 1.00 P.M. The Food festival was inaugurated by a ribbon cutting ceremony of our respected Principal, Dr. V. S. Pramod. All the student teachers and faculties participated in the festival by preparing healthy, tasty dishes and many more using traditional recipes. Principal and faculties appreciated the student teachers for their active participation. Miss. Aiswarya, student proposed vote of thanks.

# SEMINAR ON PEDAGOGUE TO TECHNO PEDAGOGUE: TEACHER EFFICACY

## ON 10th NOVEMBER 2023

Muslim College of Education organized a seminar on topic “Pedagogue to Techno Pedagogue: Teacher Efficacy in collaboration with Council for Educational Administration and Management (CEAM) Tamil Nadu Chapter, Council for Teacher Education Foundation (CTET) Tamil Nadu Chapter and IQAC, Muslim College of Education.

In a world where education is constantly evolving, seminars serve as vital conduits of knowledge, collaboration, and innovation. These gatherings offer a platform for educators to exchange ideas, learn from experts, and stay updated on the latest developments in their fields. The importance of seminars in education cannot be overstated, as they play a pivotal role in shaping the future of teaching and learning. Whether through networking, knowledge dissemination, or inspiration, conferences empower educators to enhance their practices and contribute to the advancement of education as a whole.

Techno-pedagogy means positioning educational technologies as the basis of teaching-learning process. This is a hybrid approach of instruction in which ICT is used to facilitate teaching and learning. Acquiring techno-pedagogical expertise will make teaching and learning a delightful experience as it will alleviate the strain on teachers and help students to create a broader knowledge base. The education system is currently experiencing a paradigm transition from the traditional chalk and whiteboard teaching technique to the digitalization of the

educational approach using technological gadget. The technology revolution has brought about a profound shift in our view of teaching and related behaviours. Hyper learning must be interwoven with real-world experience according to techno-pedagogy.

In the inaugural session Dr. V. M. Sasikumar, President, CEAM & Patron CTET, South Zone gave the Presidential Address, followed by Inaugural Address of Lion Dr. H. Mohamed Ali, Secretary, Muslim College of Education and in that session there were events like presentation of Institutional Life Membership of CEAM, Signing of Memorandum of understanding and also distribution of CTEF South Zone awards.

The next session of keynote address was Chaired by Prof. Dr. K.Y. Benedict, Chairman,

## Workshop on Vegetable Carving and Flower arrangement held on 22/11/2023

The purpose of fruit and vegetable carving is to make food more attractive, more appetizing, and also easier to eat. Vegetables and fruits are the most fragile foods and carving is an art which involves patience, skill and creativity. IQAC Muslim College of Education organised a one-day vegetable carving programme on 22/11/2023 from 10.00 a.m. to 4.00 p.m.

Mr. J. Shanu, Board Member of Food Science, M.S. University and Assistant Professor at HMSC, Muslim Arts College was invited as the resource person to conduct a programme on vegetable carving for student teachers. The workshop was very informative, interactive and interesting. He explained all the methods of carving in a stepwise manner which was easy to grasp and demonstrate. Participants of the programme together made carvings using vegetables and fruits. He also taught how to create a bouquet out of vegetables and greens. The programme was very useful and learnt basic carvings like rose, spirals, different kind of flowers out of carrot, cucumber, beetroot, radish etc. The programme was found to be more beneficial and student teachers can implement these skills in practical sessions and in their future career life.
