Message from Secretary's Desk

I am extremely happy to know that the Muslim college of Education is bringing out their college magazine during this year. In addition to the numerous achievements of the institute this is yet another mile stone in their curricular and co-curricular activities. I hope the magazine will bring creative talents of the students of the institutes. I wish them all success.

Lion. Dr. H. Mohamed Ali

Secretary, Muslim College of Education

Message from Principal's Desk

The educational system often poses a number of challenges before the teachers.

No teacher can survive in this dynamic profession, without equipping himself with a variety of skills & qualities that improves his knowledge, ability & quality.

The concept of creative learning is a vital part of modern educational system. Allowing new ideas & innovative thinking requires a more dynamic learning process. Therefore it is essential that the students be allowed to learn newer vistas of learning.

The teacher is not a mere guide in the most conventional system. He is much more than a regular counselor, a value developer & a torch bearer of change.

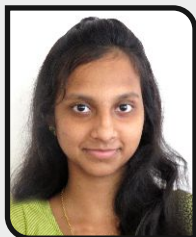

It is our endeavor in the Muslim College of education provide dynamic learning process to train, equip and mould the teacher trainees to cater to the expectations of the modern society. I hope that the teachers will become role models to the future citizens of the country."

HISTORY-FIELD TRIP

In education, field trips are essential, to get practical knowledge and to have some relax.

Social science can be learnt early in the physical environment than in the classroom. With this aim the history students and lecturer from Muslim college of Education, Thiruvithancode, organized a field trip to the historical places,

Padmanabhapuram Palace

Udayagiri fort

Vattakottai on 15-02-2020

The transport facility and food facility are pre-planned.

The students of B.Ed history along with the lecturer started their journey from the campus at 8'O clock on 15-02-2020. They have first visited the padmanabhapuram palace. This place was built

on 1580. More than 14 kings ruled from this palace, over 200 years. The 14th king Tharma Raja, shifted the capital to Thiruvananthapuram. This palace was handed over to the Kerala Government on 1938. This palace is one of the important tourist places in Kanya Kumari District.

The second place visited by the students is Udayagiri Fort. The Udayagiri fort is famous for the zoo. We can see different types of birds and animals here.

The tomb of General D' Lenoyt is also situated here. After that they have visited the historical place Vatta Kottai. This fort is situated in the circle form. It was built in the 18th century.

Through this field trip the students have observed the historical places of Tamil Nadu, and Vattakottai, which were situated in Kanyakumari District. With this the students get firsthand experience.

இந்த உலகத்தில் வாழ்கின்ற மக்கள் எல்லோருமே பெண்ணினத்தின் அன்பளிப்பு

எந்த நாடு பெண்களுக்கு மரியாதை கொடுக்கவில்லையோ எந்த சமுதாயம் பெண்களை மேம்படுத்தவில்லையோ அந்த நாடும் சமுதாயமும் இப்போது மட்டுமல்ல எந்த காலத்திலும் உயர்வடையப் போவதில்லை என்று கூறுகிறார் சுவாமி விவேகானந்தர்

பெண்நிலை -அன்றும் இன்றும்

சங்க இலக்கியத்தில் முதன்மையான தொல்காப்பியத்தில் தொல்காப்பியர் கூறுகிறார்

பெருமையும் உரறும் ஆடு உமேன
அச்சமும் நாணும் மடனும் முந்துறுத்தல்
நிச்சமும் பெண் பாற்கு உரிய என்ப

பெருமையும் அறிவு வலிமையும் ஆணுக்குரியவை என்றும் அச்சம் நாணம் மடம் ஆகியன பெண்ணுக்குரியது என்பதும் பாடின் பொருள்.இது பெண்ணின் சங்ககால நிலை ஆனால் பாரதி இதை அடியோடு ஒழித்து புதுவரிகள் தருகிறார்.

நாணமும் அச்சமும் நாய்கட்கு வேண்டுமாம்
ஞானம் நல்லறம் வீர சுதந்திரம் பேணும்
நற்குடிப் பெண்ணின் குணங்களாம்

என்று பெண்ணினம் மேம்பட வழி கூறியிருக்கிறார்

தந்தையின் பார்வைக்க தண்டச் சோறாய் தாயின் பார்வைக்கு மடி நெருப்பாய், மாமியாரின் பார்வைக்கு மண்ணெண்ணையாய் பார்க்கப்பட்ட பெண் பெண்ணாகவே பார்க்கப்படவில்லை என்பது தான் உண்மை கல்யாணச் சந்தையிலே பார்வைக்கு வைக்கப்பட்டு பேரம் பேசி விலையாகிற கன்னியர் குலம்-சமூகத்தின் கண்ணீர்குளம். வரதட்சணை வேலியால் அன்றும் எத்தனையோ பெண்களுக்கு பிறந்தகமே தினசரி உலகமாயிக்கிறது வரதட்சணை தாலிக் கயிற்றையே மரணக் கயிறாக மாற்றிவிடுகிறது. ஒன்று மட்டும் நிச்சயம் பெண்மைக்கு இழைக்கப்பட்ட தவறுக்கும் தண்டனைக்கும் பலியாவது இம்மனிதகுலமே.

முடிவுரை

பெண் என்று பூமிதனில் பிறந்து விட்டால் என்று முற்றுப் பெறாத வாக்கியத்தின் தொடர்ச்சி எல்லோரும் எதிர்பார்ப்பது போல் கஷ்டமும் துன்பமும் அல்ல இக்காலம் நவீன விஞ்ஞானமக் காலம் முன்பு தவறுகள் திருத்தப்படும் காலம் பெண் இயக்கங்களும் அரசாங்கமும் பெண் அடிமை போக்கி பெண் ஆளுமை ஏற்படுத்தும் காலம் இது ஆகவே பெண் என்று பூமிதனில் பிறந்து விட்டால் நலமே அன்றி நகரம் அன்று என்று இன்றைய பெண்கள் நிரூபித்து காட்ட வேண்டும்.

மார்ச் -22 உலக தண்ணீர் தினம் கேன்சரை எண்டாக்கும் மிரைல் வாட்டர்கள் ஒரு மீடியா ரிப்போர்ட்!

முன்னுரை

இன்று உலகில் மிகப்பெரும் விவாதம் பொருளாக தண்ணீர் பிரச்சனை திகழ்கிறது. எதிர்காலத்தில் மனித இனம் சந்திக்கும் மிகப்பெரும் பிரச்சனையாகவும் இது தான் இருக்கும் அதானால்தான் வள்ளுவன் கூட ரூரின்றி அமையாது உலகு என்றான். அதனால் தான் வாந றடிசடன றயவஉா என்கிற சர்வதேச அமைப்பு ஞநாம் வாழும் காலத்தில் முக்கியத்துவம் கொடுக்கப்படாத உலகளாவிய சுற்றுச்சூழல் சவால் தண்ணீர் பற்றாக்குறையாக இருக்கும்.

குழந்தை இறப்பு விகிதம்

கடந்த பத்தாண்டுகளில் போர் மற்றும் எச்.ஐ.வி போன்ற பயங்கரங்களால் இறந்த குழந்தைகளை விட அசுத்தமான நீரை குடித்தால் வயிற்றுப் போக்கு ஏற்பட்டு இறந்த குழந்தைகள் அதிகம். ஒவ்வொரு எட்டு விரைக்கும் அசுத்தமான குடிநீரை குடித்தால் ஒரு குழந்தை மாண்டு போகிறது என்பது நம் காலத்தின் அதிர்ச்சியூட்டும் நிகழ்வு.

மிரைல் வாட்டர் நன்மையா? தீமையா ?

குடி தண்ணீரை பணம் கொடுத்து வாங்க வேண்டிய துர்பாக்கிய நிலை ஏற்படும் என்பதை நாம் கனவில்கூட நினைத்து பார்த்திருக்க மாட்டோம்

தண்ணீர் நேற்றும் இன்றும்

அந்த காலங்களில் ஊர் தோறும் நல்ல தண்ணீர் கிணறுகள் நீர் தேக்கங்கள் இப்படியாக சுத்தமான குடிநீரை மக்கள் அருந்தி வந்தனர் இன்றோ வீடுகள் தோறும்

"World Water Day"

Save Water ! Save Nature !!

மினரல் வாட்டர் கேன்கள் பாக்கெட் வாட்டர் என்று தண்ணீரை காசு கொடுத்து வாங்கி குடிக்க வேண்டிய அவல நிலை.

அடிப்படை உரிமை

தண்ணீர் மனிதர்களின் அடிப்படை உரிமை இதை பணம் கொடுத்தால் மட்டும் கிடைக்கும் பொருளாக்கி விட்டனர் இந்த கார்பரேட் கொள்ளையர்கள். உலகம் முழுவதும் தண்ணீர் இன்று ஒரு தலை சிறந்த

தண்ணீர் பற்றாக்குறை

உலகின் பல பகுதிகளில் நல்ல தண்ணீர் அதாவது குடி தண்ணீர் பற்றாக்குறை காணப்படுகிறது தொழிற்சாலைக் கழிவுகள் சுற்றுச்சூழல் மாசு படுதல் இவற்றால் நல்ல தண்ணீர் வளங்கள் அழிந்து குடிதண்ணீருக்கு பெரும் தட்டுப்பாடு நிலவி வருகிறது. மினரல் வாட்டர் விளைவுகள்

மினரல் வாட்டர் போன்ற தண்ணீரை அருந்துவதன் மூலம் கேன்சர் ஆள்கொல்லி நோய்கள் ஏற்படுகின்றன இதனால் மினரல் வாட்டர் குடிப்பதை நாம் தவிர்க்க வேண்டும். இதற்கு பதிலாக தண்ணீரை நன்றாக கொதிக்க வைத்து அதில் ஜீரகம் இட்டு அருந்தலாம் சுருங்கச் சொன்னால் மண்பானையில் துளசி இலைகளைப் போட்டு தண்ணீரை தேக்கி இருந்தி வருவது மிகவும் நன்மை பயக்கக்கூடியது. குறிப்பு

சென்னை மெட்ரோவாட்டர் நீரின் தரம்பற்றி ஆங்கில நாளிதழ் உன்று தகவல் அறியும் உரிமை சட்டத்தின்படி கேள்விகள் கேட்டது இதற்கு சென்னை மாநகராட்சி அளித்த பதில் 2007-ம் ஆண்டு முதல் தோராயமாக மேற்கொள்ளப்பட்ட 440 பரிசோதனைகளிலும் அந்த குடிநீர் குடிக்க தகுதியற்றது எனத் தெரியவந்தது என்பதாகும். முடிவுரை

தண்ணீர் என்பது இறைவனின் அருடகொடை என்பது ஐம் ஐம் நீர் மூலம் இறைவன் வரலாற்று பாடம் இந்த ஏதகாதிபத்ய நீர் ஆதிக்கத்திற்கு நாம் அணிதிரண்டு

போராட வேண்டும் இல்லையெனில் பேராசிரியர் சந்திரா எழுதியது போல் நிலமை மாறிவிடும்

Q2-10m2m2-

Who is Brilliant A Staff or a Student?

One night 4 students were boozing till late night and didn't study for the next day. In the morning they thought of a plan. They made themselves look as dirty and weird as they could with grease and dirt. They then went up to the Dean and said that they had gone out to a wedding last night and on their return the tire of their car burst and they had to push the car all the way back and that they were in no condition to appear for the test.

Phi Dean was a just person and so he said that you can have the retest after three days. They said they will be ready by that time. On the third day they appeared before the Dean. The Dean said that, that was a special test. All four were required to sit in separate classrooms for the test. They all agreed as they had prepared well in the last three days. The test consisted of 2 questions with total of 100 marks.

STORY

Q.1. Write down your name_____ (2 marks)

Q.2. Which tire burst_____ (98 marks)

LEARNING

Learning is art by which we are taken to a Next level. Learning is a process by which we can store knowledge into our minds. If we learn sincerely and truly, the knowledge gained from learning will stay in our minds all along as we live. So learn while you can. It will help you earn a living for your future.

Taste talk

The sense of taste is the least communicative of all the five senses. The taste buds on the roof of our mouth and our tongue tell us whether our food is tasty or not.

However, they only help us savour the four basic tastes. That is Sweet, Salty, Sour and bitter. To be able to enjoy all the other taste, we have to depend on our sense of smell. This is the reason why we cannot enjoy our food when we have a cold.

Through man's sense of smell is not half as powerful as those of animals, certain foods stimulate the palate mainly by their aromas.

Fish use their fins, tails and mouth for tasting food. Other insects like flies have their taste buds on their feet.

AN INTERVIEW

Interviewer said, 'I shall either ask you ten easy questions or one really difficult question.

Think well before you make up your mind! 'The boy thought for a while and said, "my choice is one really difficult question".

"Well, good luck to you, you have made your own choice!

Now tell me this.

"What comes first, Day or Night?"

As his admission depends on the correctness of his answer, he thought for while and said, "It's the DAY sir!". 'How' the interviewer asked, "sorry sir, you promised me that you will not ask me a SECOND difficult question! He was selected.

TEACHER'S SPECIALITY

Teachers, getting us ready for our future we get mad, cry, yell, laugh, and have some of the happiest moments we could ever experience with our teachers. If anybody deserves to be recognized, it is our teachers. But no trophy or award could express our gratitude. The best gift that we could ever give our teachers is to graduate and succeed in life. That's why they are here today and have dedicated their lives to teach children who are special, smart, gifted, tall and thin. That is exactly what a child is to a teacher, and that's why we can touch sky and when, god willing, we sometimes go beyond the moon.

VALLEY OF FLOWERS

In 1931, six British Mountaineers entered Garhwal Himalya to conquer comet peak led by Mr. Francis Sydney Smythe. While returning they accidentally came into the valley and could not believe their eyes... that they were wading knee deep through the ocean of flowers. This place is called as valley of flowers.

The divine valley of flowers is situated at the height of 3460 meters in Uttarakhand state. 334 km away from Dehradun. Surrounded on either side by snow capped mountains, this memorizing valley is an irresistible treat nature lover, environmentalists, trekkers and botanists. The alpine valley flora has adopted to the harsh hill climate conditions for millions of years. It is a much sought trekking route for the naturalists and visitors.

A slow trek of 13 km's from Govindghat to Ghangaria and again a steep trek of 4 km's from Ghangaria to the valley leads one to this miracle of nature. There are more than 500 species of flowers found in the valley, some of them are found in the valley, some of them are found nowhere in the world but here.

INDEPENDENCE DAY

15/08/2019

On August 15, 2019, Muslim College of Education celebrated Independence Day, to pay tribute to the nation and freedom fighters of India. It is a remarkable day when we honor and respect all our freedom fighters who fought for India's freedom.

The celebrations started with flag hoisting by our Secretary, Lion. Dr. H. Mohamed Ali, followed by the National Anthem and a parade by NCC students. Principal Dr. V. S. Pramod delivered an inspiring speech. The program continued with cultural programs.

PTA GENERAL BODY MEETING AND ORIENTATION PROGRAMME FOR THE YEAR 2019 – 2020

PTA General Body meeting and orientation programme for the year 2019 – 2020 was held on 21/08/2019 in the seminar hall from 10.00 a.m. to 1.00 p.m.

The meeting launched by imploring the Divine blessings and Tamil Thai Vazhthu. Principal Dr. V. S. Pramod welcomed the gathering.

The presence of the parents in large number was very encouraging.

The meeting strengthened the bond between the management, parents and the teachers. The election for new office bearers for the year 2019 – 2020 was conducted. The meeting ended with a positive note singing National Anthem and after the meeting, parents met the Teachers and interacted.

WORKSHOP ON YOGA 26/08/2019 to 31/08/2019

Yoga is an ancient physical, mental and spiritual practice that originated in India. The word 'yoga' derives from Sanskrit and means to join or to unite, symbolizing the union of body and consciousness.

Today it is practiced in various forms around the world and continues to grow in popularity.

Recognizing its universal appeal, on 11 December 2014, the United Nations proclaimed 21 June as the International Day of Yoga by resolution 69/131.

The International Day of Yoga aims to raise awareness worldwide of the many benefits of practicing yoga.

The draft resolution establishing the International Day of Yoga was proposed by India and endorsed by a record 175 member states. The proposal was first introduced by Prime Minister Narendra Modi in his address during the opening of the 69th session of the General Assembly, in which he said: “Yoga is an invaluable gift from our ancient tradition. Yoga embodies unity of mind and body, thought and action ... a holistic approach [that] is valuable to our health and our well-being. Yoga is not just about exercise; it is a way to discover the sense of oneness with yourself, the world and the nature.”

Muslim College of Education organized one week Workshop on Yoga programme for the students in the seminar hall from 26/08/2019 to 31/08/2019. Students participated with full interest, enthusiasm and eagerness.

Every day the session began by seeking the blessings of the Almighty. Asanas starting with warming up and stretching were followed by a series of Padmasanas, Sukhasana, Tadasana, BhujangAsana and ending with Shavasana. Exercises for relieving stress, reducing joint pain and enhancing the flexibility of the back were also done.

Principal Dr. V. S. Pramod conveyed the importance of making yoga an integral part of our daily life by extending the practice of yoga beyond the mat. Each day the session concluded with an interactive session between the instructor and the students in which the queries of the students were addressed satisfactorily. The one-week programme was very refreshing, reviving and relaxing.

TEACHER'S DAY CELEBRATIONS (2019-2020)

Teachers' day celebrations held on September 5, 2019 at Muslim College of Education. The honourable chief guest of the function was Mrs. Kumari Sujatha, Headmistress, Thiruvithancode, Higher Secondary School. She delivered a special address about the importance of this day and about best teacher.

The celebrations began with prayer to the almighty, by student. Presidential address was given by honourable secretary Lion H. Mohamed Ali. This was followed by special address by Chief Mrs. Kumari Sujatha. She is a role-model to one and all. She is known for his tireless services and humourous speech. She gave a valuable speech about the importance of teachers' day. He also gave a valuable explanation about a good teacher and a best teacher. Our honourable principal, Dr. Pramod gave his speech about the importance of this day. A little recreation was given after that.

Muslim College of Education organized workshop on Teacher Learning Material on 13/09/2019 at the seminar hall from 10.00 a.m. to 4.00 p.m. The objective of the workshop was to orient teacher trainees and develop appropriate context-specific teaching-learning materials which can be used to enhance the quality of the teaching-learning process. Addressing the gathering Dr. V. S. Pramod, Principal, Muslim College of Education said that few of the possible hurdles that teachers face in doing the activities are – lack of material, lack of confidence, fear of an experiment failing in front of students etc. To overcome these, we thought of conducting this TLM workshop where we provide the material, and the space for experimentation and teamwork. The teacher trainees learn to working in teams as well as benefit from the models prepared by other teacher trainees.

The teacher trainees' team learnt quite a bit through this workshop. The key learning is that experiments have to be done and the learning we gain especially when things do not turn out the way it is stated in the textbooks is of incomparable value. Teacher trainees also presented the papers on teaching learning material and explained the importance of teaching learning material in real teaching, how effectively we can use these, how to prepare, what are the characteristics of it, how it makes teaching process as effective.

The workshop was concluded with vote of thanks by Mrs. Manjusha, Assistant Professor.

EYE DONATION AWARENESS PROGRAMME HELD ON 30/10/2019

Blindness is a worldwide problem. Corneal blindness accounts for 0.9% of blindness in India. Approximately 0.12 million people are Corneal blind. Restoration of their vision is possible only through transplantation. Though 45000 eyes are collected every year, it does not meet half the requirement.

Realizing the potential of the situation an Eye Donation Awareness Programme was organized by the Muslim College of Education on 30/10/2019 in the seminar hall from 10.00 a.m. to 4.00 p.m. The program was inaugurated by Lion. Dr. H. Mohammed Ali, Secretary, Muslim College of Education. Dr. V.S. Pramod welcomed the guests and in his inaugural address, he highlighted the importance of eye donation. The resource person for the programme was Lion. Dr. J. Ganesh M.J.F

Lion Dr. J. Ganesh began the program with a formal greeting. Then he gave a brief introduction about the eye donation. Donating one's eyes after his/her death is Eye donation. Merely Corneal blinds can be helped through this procedure. It is an action to help, mainly for the assistance of the society and is totally charitable. It is done after death. So, the eye- donation should be exhilarated in a large scale, as one of the best means of communal service. To allow another person to get vision is one of the best procedures of charity. Even after death the donor lives in the eyes of the recipient. Eyes of a dead person can enable two blind people

to acquire the vision, said Lion. Dr. J. Ganesh. Then he listed out the reasons why we need to donate our eyes.

A few video clippings were displayed by Lion Dr. J. Ganesh. It describes about the statistics of eye donation. In video clipping a few celebrities described the significance of eye donation. Lion Dr. J. Ganesh asserts that students play a vital role in creating awareness about eye donation. Students can enhance eye donation rates by educating and motivating the relatives for eye donation. They can teach this great thing to the student also. There was an interactive session. Dr. J. Ganesh asked a few questions to the teacher trainees. Those who answered the questions were appreciated and honoured with prizes.

Dr. J. Ganesh explained the structure of the eyes. He explained in detail the internal structure of a-lens, retina, optic nerves, aqueous humor and also the external structure of an eye-sclera, conjunctiva, cornea, iris and pupil. This was useful for everyone. Students were actively heard his words. Finally, he concluded his session after describing the recent development and techniques to cure eye problems. He also explained the long sight and short sight problems faced by small children. Then he says how to cure the long sight and the short sight problems by using specs eye lens and laser treatments. The doubts raised by the students and staff were cleared. After the session, four students gave feedback to the Eye Camp Awareness Program Mrs. JabaNisha, faculty expressed vote of thanks.
