# Reflections<sup>2023-2024</sup> College Magazine

## Editorial

Being the Editor in charge of the Muslim College of Education annual magazine **Reflections**, it gives me great pleasure to bring to you this issue. **Reflections** is designed to present to its readers the year's events that have gone by. The magazine also showcases the talents of our faculty members and students. With a sense of pride and satisfaction, I would like to say that, with the active support of the management, faculty and students, **Reflections** has come alive. With all the efforts and contributions put in by the students, I truly hope that the pages that follow will make some interesting reading.

I congratulate the editorial team for making **Reflections** innovative and inspiring.

## *Message from Secretary's Desk*

I am extremely happy to know that the Muslim College of Education is bringing out their college magazine during this year. In addition to the numerous achievements of the institution this is yet another mile stone in their curricular and co-curricular activities. I hope the magazine will bring creative talents of the students of the institution. I wish them all success.

## *Message from Principal's Desk*

The educational system often poses a number of challenges before the teachers.

No teacher can survive in this dynamic profession, without equipping himself with a variety of skills and qualities that improves his knowledge, ability and quality

The concept of creative learning is a vital part of modern educational system. Allowing new ideas and innovative thinking requires a more dynamic learning process. Therefore it is essential that the students be allowed to learn newer vistas of learning.

The teacher is not a mere guide in the most conventional system he is much more than a regular counselor, a value developer and a torch bearer of change.

It is our endeavor in the Muslim College of Education provide dynamic learning process to train, equip and mould the teacher trainees to cater to the expectations of the modern society. I hope that the teachers will become role models to the future citizens of the country."

MUSLIM COLLEGE OF EDUCATION  
B.Ed. & M.Ed.  
Accredited with B grade by NAAC

## Our Mission

*To enable our Teacher Trainees and Research Scholars acquire academic competence, sound knowledge and skill in teaching and outreach programmes coupled with international and interdisciplinary perspective.*

## Our Vision

*To be a "Centre of Excellence" in the fields of Teaching, Learning, Research and Outreach programmes.*

## HISTORY OF THE COLLEGE

The Muslim College of Education, No. 1 New Street, Thiruvithancode, Kanniyakumari District, Tamil Nadu, one of the pioneering teacher training institutions in Tamil Nadu, is dedicated to the cause of learning, research and outreach. It is a dream project of the Muslim Educational Society (MES) Thiruvithancode, a society fashioned to uplift the marginalized sections of the people in Kanniyakumari. The Muslim College of Education had its inception in the year 2007 with 100 B.Ed. teacher -trainees. In the year 2008, the College was granted permission to launch the M.Ed. course. Representing the minority, the college has unlocked its doors to all and sundry who cherished to get into this institution for admission. A galaxy of eminent teachers with competency, professionalism, passion, devotion and dedication, with the infinite support furnished by the management, has ignited the institution to grow with a remarkable legacy within a short span of time.

Our College was accredited with “B” grade by the National Assessment and Accreditation Council (NAAC) of the UGC. They were extremely pleased with the academic excellence, organization, staff pattern, physical environment, and outreach programmes of the College. It has provided us added responsiveness and commitments to work for improvement. We strongly believe in the NAAC dictum, Quality Enhancement and Quality sustenance. We strive hard to uphold it. In 2014, the institution got permission to start M.Phil. Course in Education, with 20 full time scholars. The Muslim College of Education is proud of the fact that it gives the teacher-trainees maximum opportunities for outreach programmes. We believe greatly in value, support and collaboration,

discussion, and dialogue with a variety of local and regional community associates.

The College offers other programs such as Yoga, Ornamental Decoration, Fruits and Vegetable Carving, Candle Making, Glass Painting, Flower Making, and Flower Arrangement. We prioritize the development of communicative English skills. The College is affiliated with the Junior Chamber International Trivandrum Chapter. It is a global organization established with the aim of motivating and empowering young people. The training packages offered by JCI motivate our aspiring teacher-trainees to explore the abundant array of possibilities in the teaching profession.

In 2013, the Muslim College of Education started a biannual national journal called Teacher Learner and Society (TeLes), which is subject to peer review. The publication is assigned the ISSN 2348-8409. TeLeS gained positive acclaim from intellectuals, which motivated us to establish an international publication called the International publication of Perspectives in Education (IJPE) in 2016. The journal is assigned the ISSN 2456-3412. Additionally, it is a peer-reviewed, multi-disciplinary international publication. The National Council for Teacher Education (NCTE) has granted authorization to the Muslim College of Education to commence 4-year integrated courses in B.A.B.Ed. and B.Sc.B.Ed. commencing from the academic year 2017-2018, recognizing the practicality of this initiative. There are just 8 institutes of education in Tamil Nadu that possess such a prestigious distinction.

In silence flows the river wide,  
By golden fields where dreams reside.  
The paddy sways, a yellow sea,  
Whispers of wind, wild and free.

Trees stand tall, birds take flight,  
Butterflies dance in soft sunlight.  
Mountains rise, the sea's embrace,  
Home's gentle touch, a timeless grace.

# My Lost Wings

After walking a while I just turned back...  
Yes, it is there...  
My lost wings!  
It was not an sudden decision about to leave this wings...  
It was like a watch which is not working...  
It was really a burden for me, same time it's very gorgeous for outsiders.  
All are still praising about that ' gorgeous watch which is not working still now.  
At the end of limit, I decide to leave this wings which is a 'lost' one.

Yes! I started to walk...  
Because I remember about my 'own' two legs..  
I learned how to walk alone  
The ways are beautiful...  
New morning, new dreams ,new life ...  
I hardly broke my comfort zone, which is not really to me...  
I am looking forward...  
And same time it's a rejuvenation  
It's my time and I have to go miles away ...  
Now, I have my own blue sky, green heights and beautiful streams....  
My legs are more powerful and strength full....  
Yes, I have to go miles away....

# Bare Minimum

**Rejini G.R.**  
M.Ed. 2024-2026

Doing just enough to get by,  
Barely scraping, never flying high.  
The minimum effort, a lukewarm try,  
Aiming low, wondering why.

Expectations met, but not exceeded,  
Potential wasted, not proceeded.  
A checklist completed, devoid of zeal,  
Going through motions, no heart to reveal.

The line is met, but not crossed,  
A shallow breath, not a deeply felt loss.  
The bare minimum, a hollow sound,  
Echoing emptiness, all around.

But what if we strive for more?  
Break free from the minimum score?  
Unleash our passion, let it ignite,  
And shine beyond the bare minimum light?

Happiness caught me with

The shining rays brought  
Spring showers.  
Soul bloomed like the

# FROM THE ASHES

Unknowingly everything changed,  
The devil arrived with its fiery fangs  
Preyed on the bloomed spring...  
Those vulturous eyes lost its  
Cloak-ability!!!  
The blood drenched eyes tackled  
My unguarded soul.  
I stood on this dry land blind,  
My heartfelt hankering for the  
Bygone days...  
Abruptly, I heard a familiar call;  
"You have eyes  
Yet not see the pearl shines  
You have ears  
Yet not hear the sounding silence"  
Those didactic words of  
Over-soul flamed  
My inmost spirit.  
It enlightened and uplifted me  
Like a phoenix  
It is inevitable!!!

Sulbath

M.Ed. 2023-2025

முன்னுரை

“பெற்ற தாயும் பிறந்தபொன் னாடும்  
நற்றவ லானினும் தனிசிறந்தனவே”

என்பது பாரதியின் வாக்கு பெற்ற தாயினும் மேலானது தாய்மொழி. உலகில் பிறந்த ஒவ்வொருவருக்கும் அவரது அன்னையின் அரவணைப்பில் அமுதுடன் கலந்து ஊட்டப்படுவது தாய்மொழி. தமிழ், கிரேக்கம், சமசுகிருதம், சீனம் ஆகியவை புராதனமான உலக மொழிகள் ஆகும். தமிழ் மொழி தோன்றிய காலத்தில் உருவான மொழிகள் பல இன்று வழக்கில் இல்லை. இன்றும் இளமை மாறாமல் கன்னித் தமிழாக நம் தாய்மொழி இலங்கக் காரணம். இதன் இலக்கண இலக்கிய சிறப்பேயாகும்.

கடல் கடந்த தமிழ்ப்பற்று

மேனாட்டைச் சார்ந்த வீரமாமுனிவர், ஜி.யு. போப் போன்றவர்களேயே தமிழ் கவர்ந்ததென்றால் கடல் கடந்து வாழும் தமிழர்கள் எங்கு தாய்மொழிப்பற்றி சும்மா விட்டு வைக்குமா? தமிழர் என்றோர் இனமுண்டு தனியே அவர்க்கோர் குணமுண்டு எனும் தாரக மந்திரத்தைத் தரணி எங்கும் தமிழர்கள் நிரூபித்து வருகின்றனர். “எங்கும் தமிழ் இ எதிலும் தமிழ்” என்பதே தமிழ் ஆர்வலர்களின் தணியாத தாகம் ஆகும். கனடா, சிங்கப்பூர், பிரான்ஸ், ஃரான்ஸ் போன்ற நாடுகளில் வாழும் தமிழர்கள் ஆங்காங்கு தமிழ் மன்றம், இலக்கியக்கழகம் போன்றவற்றை அமைத்து தமிழைப் பேணிக் காத்து வருகின்றனர்.

தமிழின் பெருமை

தமிழின் பழமையான நூலான தொல்காப்பியம் என்ற இலக்கண நூல் ஐயாயிரம் ஆண்டுகளுக்கு முற்பட்டது. அதற்கும் முன்பாக அகத்தியம் எனும் நூல் இருந்ததாக அறியப்படுகிறது. தென் தமிழ்நாட்டின் பொதிகை மலையின் வாழ்ந்த அகத்திய முனிவரும் தமிழை வளர்த்ததாக வரலாறு கூறுகிறது. இப்படி பல்வேறு சிறப்புகளை பெற்றதால் தான் கல் தோன்றி மண்தோன்றாக் காலத்து முன்தோன்றி மூத்த தமிழ்க்குடி என்று தமிழர்கள் போற்றப்படுகின்றனர்.

“இனிமை கூட்டும் இன்பமொழி; இளமை காக்கு அருமைமொழி,  
துன்பம் போக்கும் துடிப்புமொழி, நன்மை விளைக்கும் நற்செம்மொழி

அதுவே நம் தமிழனின் மொழி”

தமிழின் இலக்கியவளம்

தமிழின் இலக்கியவளம்

காகிதமும் பேனாவும் கண்டுபிடிக்கப்படாத காலத்திலேயே நம் தமிழ்ச்சான்றோர்கள் பனையோலைச் சுவடிகளில் எழுத்தாணி கொண்டு எழுதி சாகாவரம் பெற்ற இலக்கியங்களைப் படைத்தனர். இரண்டாயிரம் ஆண்டுகளுக்கு முற்பட்ட திருக்குறள் தமிழின் தொன்மையையும், இலக்கிய வளத்தையும், தமிழர்தம் அறத்தையும் வெளிப்படுத்தி நிற்கிறது. முதல், இடை, கடை என மூன்று சங்கங்கள் அமைத்து தமிழை வளர்த்தனர் நம் முன்னோர்கள். பத்துப்பாட்டு, எட்டுத்தொகை, பதினெண் கீழ்க் கணக்கு, ஐம்பெருங்காப்பியம், ஐஞ்சிறுங்காப்பியம், பன்னிருந்திருமுறைகள், நாலாயிரந்திவ்யப்பிரபந்தம், கம்பராமாயணம் ஆகிய இலக்கியங்கள், தமிழ்தாயின் மணிமகுடத்தில் அமைந்த முத்துக்களாய் மின்னுகின்றன.

தமிழின் சிறப்பு

“சொல்லில் உயர்வு தமிழ்ச்சொல்லே” என்றும் “யாமறிந்த மொழிகளிலே தமிழ்மொழி போல் இனிதாவது எங்கும் காணோன்” என்றும் பன்மொழிப் புலவரான பாரதியார் தமிழைப் பாராட்டுகிறார். “தமிழ் எங்கள் பிறவிக்குத் தாய்” என்றும் “தமிழ் எங்கள் உயிருக்குநேர்” என்றும் பாவேந்தர் புகழ்கின்றார். “என்றுமுளது தென்தமிழ்” எனக் கம்பர் தமிழைப் பாராட்டியுள்ளார். தமிழ்மொழி காலத்தின் மழையில் நனையாமல், வெயிலில் கருகாமல், காற்றில் கரையாமல், உலகத்தோட செடிகளில் உட்கார்ந்து தமிழன் என ஒலித்துக்கொண்டிருக்கிறது. தமிழ், இந்தியாவில் பேசப்படும் மொழிகளில் மிக நீண்ட இலக்கிய, இலக்கண மரபுகளைக் கொண்டது. உயிர்நாவில் உருவான உலகமொழி, நம் தமிழ்மொழியே!

முடிவுரை

வண்ணத்தமிழ், நற்றமிழ், செந்தமிழ், தேமரத்தமிழ், பைந்தமிழ் என பலவாறு பாராட்டப்படும் நம் தாய்மொழியாம் தமிழின் தொன்மையும், சிறப்பும், இலக்கிய வளமும் உலகறிந்தததே. எத்தனை மொழிகள் இருந்தாலும், அத்தனை மொழிகளுக்கும் தாயாய், தலைவியாய், விளங்குவது தமிழ். இரு கை தட்டினால்தான் ஓசை உண்டாகும். அதுபோல, தமிழ் எங்கள் உயிருக்கு நேர் என்று ஒவ்வொருவரும் வைராக்கியம் கொண்டு தமிழின் உயர்வுக்காக உழைப்போம்; உயர்வோம்! தேமதுரத் தமிழை உலகெல்லாம் பரவிச் செய்வோம்! தமிழை உலகெல்லாம் பரவிடச் செய்வோம்! “தமிழுக்காக தலைவணங்கு என் சிரம்  
தமிழ் வளர என் உடல் ஆகட்டும் உரம்”

## Education Development Day

# KAMARAJAR'S BIRTHDAY CELEBRATION

**ELOCUTION  
COMPETITION- 15/07/2023**

IQAC Muslim College of Education celebrated Kamarajar's birthday with great enthusiasm and respect.

The function started at 11.00 a. m. in the seminar hall. Mrs. Merline Jaya, Assistant Professor welcomed the gathering. Chief guest of the Program was Dr. Mohamed Askar, Department of Tamil, Muslim Arts College. He gave an inspiring and motivating speech. Elocution competition was conducted and the program concluded with vote of thanks by Miss. Nilofar.

Indeed, it was a day of love, joy and respect for our great leader.

# Environmental Awareness Programme

## *Exhibition - "Pollution as a Global Challenge"*

Our environment faces several problems and many of these seem to be worsening with time, bringing us into a time of a true environmental crisis. Therefore enhancing public awareness of these problems is essential to lessen their detrimental effects. Environmental pollution is increasing day by day and imposing severe and irreversible damage to the world. It is of different types: air, water, soil, noise, light, etc. Urbanization and technological development have put the survival of the planet in danger by degrading the quality of the environment's essential elements—air, water and soil—due to the release of hazardous waste from factories like plastics, heavy metals, nitrates, burning of fossil fuels, acid rain, oil spills and industrial toxins. Urbanization and overpopulation have increased city noise and light pollution. Polluting agents are exponentially increasing in modern society, disturbing the ecological balance and posing extinction problems for different animal and bird species. This is because the destruction of plants,

especially trees, by acid rains disturbs the natural environment of animals. The effect of pollution on the health of human being is well known, but it is a dire need to understand the link between environmental pollutants and mental health.

IQAC Muslim College of Education organized an exhibition on the topic “Pollution as a Global Challenge” on 21/07/2023 at Seminar Hall from 10 A.M. to 3.00 P.M. The programme was inaugurated by our respected Secretary, Lion. Dr. H. Mohammed Ali. Our Principal, Dr. V. S. Pramod gave a motivational speech about the most serious problems the humanity and other life forms on our planet is facing today. This event aims to showcase innovative projects and research conducted by teacher trainees regarding the impact of pollution on the environment.

In exhibition student teachers designed various models related to different types of pollution, ecosystem, and climatic change and gave descriptions of the models. The exhibition was organised under the guidance of Miss. M.S. Ashika Mohan, Assistant Professor in English.

Principal, teacher educators and students went around looking at the different models designed by the student teachers. Principal and the teacher educators congratulated all the student teachers who participated in the exhibition

# Anti-Ragging Day: Poster Making Competition conducted on 25/07/2023

"Ragging is any disorderly conduct, whether by words spoken or written, or by an act which has the effect of teasing, treating or handling with rudeness any student, indulging in rowdy or undisciplined activities which cause or are likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the psyche of a fresher or a junior student."

After the death of a first-year student from Jadavpur University allegedly linked to ragging, University Grant Commission has asked colleges and universities to observe anti-ragging week from August 12 to August 18. The institutions of higher education are directed to implement anti-ragging measures already spelt out in detail by the UGC and also to organize orientation and induction programmes with a view to encourage students to follow anti-ragging steps on the campus.

Under the direction of UGC and Tamil Nadu Teachers Education University, Muslim College of Education, Thiruvithancode has conducted a poster making competition on "Anti-Ragging" to educate about the evils of ragging and also to spread positive vibes among the students in the college premises. The competition was held on 25/07/2023 in the seminar hall for students to spread positive ideas among them. The Competition was inaugurated by our respected Secretary, Lion. Dr. H. Mohammed Ali. Our Principal, Dr. V. S. Pramod gave an introductory speech on anti-ragging.

A total of 12 teams actively participated in the competition and made this event successful. The competition was from 2.00 P.M to 3.45 P.M. The competition was coordinated by Miss. J. Shirley, Assistant Professor in English. Principal and the faculties appreciated the students for their active participation. The posters were evaluated based on the creativity and the message they provided.

# B.Ed. INDUCTION CEREMONY - 03/08/2023

IQAC Muslim College of Education organised the Induction Ceremony for the year 2023-2024 on 03/08/2023. The main aim of this programme is to give an affectionate welcome to new students. Such programmes instill confidence in students, enhance their creativity help juniors to form bonds and ensure good coordination with seniors. This leads to a better understanding among all and a feeling of co-operation is fostered.

Teachers play an imperative role in students' lives. They actively participate and guide students towards a successful event. Students enjoy a fun with their peers and cherish good quality time spent with each other. The event creates many memories for the first year students and their seniors alike, with a spellbinding array of cultural programs and social activities.

The 3rd August 2023 was a memorable day in the life of every fresher of academic year 2022-2023 batch at Muslim College of Education. The fresher's day was filled with excitement, joy, music, enthusiasm, laughter and happiness.

The inauguration of event started at 10.00 a.m. in the seminar hall by prayer followed by Tamil Thai Vazhthu. Secretary Lion. Dr. H. Mohamed Ali delivered the inaugural speech, Principal Dr. V. S. Pramod welcomed the fresher's. The Chief guests of the Programme were Dr. A. G. Segan Roy and Dr. D. Radharamanan Pillai. The Chief Guests gave motivational speech by their inspirational thoughts.

The event was finally concluded with vote of thanks by Mrs. Ancy John. Refreshments were served in after the program.

Independence Day is celebrated on 15th August, is a significant national holiday in India. It marks the day when the country gained independence from British rule in 1947. This day reminds us of the sacrifices and courage all men and women took to free our country from the Britishers. This day we pay tribute to those freedom fighters who laid down their lives for the sake of the motherland.

On August 15, 2023, Muslim College of Education celebrated Independence Day, where students, faculties, and staff members paid tribute to the nation and freedom fighters of India. It is a remarkable day when we honor and respect all our freedom fighters who fought for India's freedom.

The celebrations started with flag hoisting by our Secretary Lion. Dr. H. Mohamed Ali and delivered an inspiring speech. The program continued with the chief guest being honored and cultural programs concluded with a vote of thanks. Sweets were distributed to all the students and staff members.

# Field Trip to Trivandrum

19/08//2023

Educational Field Trips can be associated with a variety of benefits for teachers and student teachers. Field trips provide student teachers with developing personalities and professionalism. Educational field trips help student teachers to widen their horizons of knowledge.

As part of the B.Ed. curriculum, student teachers of Science Stream went for a field trip on 19/08/2023. This one-day programme aimed to develop aesthetic sense, imagination and creativity in students. The places visited were Chitralaya Museum, Kochuveli and Lulu Mall.

There were around 50 student teachers from each optional - English, Tamil, Mathematics, Physical Science, Biological Science, History and Computer Science. Teachers from each option are also accompanied by the student teachers. Everyone assembled in the college by 6.30 a.m. There was a silent prayer before the journey and then the student teachers as well as the teachers had a wonderful time on the bus.

Everyone was filled with a lot of excitement and did not want to go back. On the whole, the trip was awesome. We all had a fantastic time and it was very helpful for developing the aesthetic sense, exploration skills, imagination, and co-operation among the students. The teachers were also happy that everyone reached back safely and there were not many problems during the journey. To conclude, the trip was very informative, effective and at the same time memorable. So, organizing such field trips will be very helpful for students to learn new things through observation, exploration and interaction.

# MICRO TEACHING

## SKILL DEVELOPMENT

Muslim College of Education conducted skill development programme for B.Ed. first year student teachers from 21/08/2023 to 26/08/2023 at 10.00 a.m.

The skill development programme was organized as it determines the student teachers to get trained and well-groomed to carry out their duties effectively. It helps them to develop self-confidence, speech modulation and expressive abilities. They learn time management, improve body language, imbibe a positive attitude and improve communication skills, which are very important when taking up teaching as a profession.

Micro teaching is a highly individualized training device and an experiment in the field of teacher education which has been incorporated in the practice of teaching schedule. The students are providing immediate feedback in terms of peer group feedback, tape recorder, or CCTV. Micro teaching is a student teaching skill training technique and not a teaching technique or method. Student teachers are asked to practice one skill at a time. The class size was reduced to 5 to 10 pupils or students. The content was limited to a single concept. Micro teaching is micro in the sense that it scales down the complexities of real teaching. Micro teaching advocates the choice and practice of one skill at a time.

# Onam

## Celebration

28/08/2023

Onam commemorates the legacy of a life of equality, unity and prosperity. Onam teaches us to unite by excelling in our differences and also speaks of a time when there was no inequality. Onam brings the memory of the golden era of Kerala state which gave the priority to the welfare of the people. In the golden memories of the Onam festival and

joy, IQAC Muslim College of Education celebrated Onam on 28/08/2023 to mark unity and equality among the student community. MCE welcomed Onam with a huge flower carpet made by the students in the courtyard of the campus. There are many programs and traditional competitions such as making flower carpets, tug of war, spoon race, musical chair etc.

Teacher trainees made floral decorations called pookkolam that are placed on the ground to welcome King Mahabali. As an indispensable part of the festival, Onam Sadhya, a vegetarian meal comprising of many traditional dishes were served on a banana leaf to all.

# WORKSHOP ON THEORETICAL AND PRACTICAL ASPECTS OF *YOGA*

Yoga is practiced in various forms around the world and continues to grow in popularity.

Muslim College of Education organized one week workshop on Yoga programme for the students in the seminar hall from 16/10/2023 to 21/10/2023. Students participated with full interest, enthusiasm and eagerness.

Every day the session began by seeking the blessings of the Almighty. Asanas starting with warming up and stretching were followed by a series of Padmasanas, Sukhasana, Tadasana, Bhujang Asana and ending with Shavasana. Exercises for relieving stress, reducing joint pain and enhancing the flexibility of the back were also done.

Principal Dr. V. S. Pramod conveyed the importance of making yoga an integral part of our daily life by extending the practice of yoga beyond the mat. Each day the session concluded with an interactive session between the instructor and the students in which the queries of the students were addressed satisfactorily. The one-week programme was very refreshing, reviving and relaxing.

# Food festival and Rangoli Competition on 08/11/2023

Diwali, the Festival of Lights, is a time when every corner of India shimmers with a warm, radiant glow. Diwali was observed by lighting small oil lamps known as 'diyas' in honor of Lakshmi, the goddess of wealth and good fortune. The lamps symbolize the triumph of light over darkness and evil. Homes are adorned with vibrant decorations, streets are illuminated by thousands of lamps, and hearts resonate with joy and anticipation. But in the midst of all the festivities, there's something truly special about Diwali – the importance of sweets, not just as culinary delights but as symbols of love, sharing, and togetherness.

Food festivals throughout the world are often based on traditional farming techniques and the seasons of the year. Food festivals are related to food culture of an area, whether through the preparation of food served or the time period in which the festival is celebrated.

On account of Diwali celebrations Muslim College of Education, Thiruvithancode organised a Food Festival on 08/11/2023 at 10.00 A.M to 1.00 P.M. The Food festival was inaugurated by a ribbon cutting ceremony of our respected Principal, Dr. V. S. Pramod. All the student teachers and faculties participated in the festival by preparing healthy, tasty dishes and many more using traditional recipes. Principal and faculties appreciated the student teachers for their active participation.

Miss. Aiswarya, student proposed vote of thanks.

# SEMINAR ON PEDAGOGUE TO TECHNO PEDAGOGUE: TEACHER EFFICACY ON 10th NOVEMBER 2023

Muslim College of Education organized a seminar on topic “Pedagogue to Techno Pedagogue: Teacher Efficacy in collaboration with Council for Educational Administration and Management (CEAM) Tamil Nadu Chapter, Council for Teacher Education Foundation (CTET) Tamil Nadu Chapter and IQAC, Muslim College of Education.

In a world where education is constantly evolving, seminars serve as vital conduits of knowledge, collaboration, and innovation. These gatherings offer a platform for educators to exchange ideas, learn from experts, and stay updated on the latest developments in their fields. The importance of seminars in education cannot be overstated, as they play a pivotal role in shaping the future of teaching and learning. Whether through networking, knowledge dissemination, or inspiration, conferences empower educators to enhance their practices and contribute to the advancement of education as a whole.

Techno-pedagogy means positioning educational technologies as the basis of teaching-learning process. This is a hybrid approach of instruction in which ICT is used to facilitate

pedagogical expertise will make teaching and learning a delightful experience as it will alleviate the strain on teachers and help students to create a broader knowledge base. The education system is currently experiencing a paradigm transition from the traditional chalk and whiteboard teaching technique to the digitalization of the educational approach using technological gadget. The technology revolution has brought about a profound shift in our view of teaching and related behaviours. Hyper learning must be interwoven with real-world experience according to techno-pedagogy.

In the inaugural session Dr. V. M. Sasikumar, President, CEAM & Patron CTET, South Zone gave the Presidential Address, followed by Inaugural Address of Lion Dr. H. Mohamed Ali, Secretary, Muslim College of Education and in that session there were events like presentation of Institutional Life Membership of CEAM, Signing of Memorandum of understanding and also distribution of CTEF South Zone awards.

# Workshop on Vegetable Carving and Flower arrangement held on 22/11/2023

The purpose of fruit and vegetable carving is to make food more attractive, more appetizing, and also easier to eat. Vegetables and fruits are the most fragile foods and carving is an art which involves patience, skill and creativity. IQAC Muslim College of Education organised a one-day vegetable carving programme on 22/11/2023 from 10.00 a.m. to 4.00 p.m.

Mr. J. Shanu, Board Member of Food Science, M.S. University and Assistant Professor at HMSC, Muslim Arts College was invited as the resource person to conduct a programme on vegetable carving for student teachers. The workshop was very informative, interactive and interesting. He explained all the methods of carving in a stepwise manner which was easy to grasp and demonstrate. Participants of the programme together made carvings using vegetables and fruits. He also taught how to create a bouquet out of vegetables and greens. The programme was very useful and learnt basic carvings like rose, spirals, different kind of flowers out of carrot, cucumber, beetroot, radish etc. The programme was found to be more beneficial and student teachers can implement these skills in practical sessions and in their future career life.

Dr. H. Mohammed Ali and Dr. V. S. Pramod, Principal, Muslim College of Education. The traditional practice of cooking took place under the guidance of Mrs. Sreeja, Assistant Professor in Mathematics and Mrs. Rajeswari, Assistant Professor in Mathematics.

As the Pongal festival is marked with colourful kolams or decorative artwork, the student teachers drew kolams by using rice flour along with natural or synthetic color powders.

Surya Pongal is the primary day of Pongal and on this day, the traditional dish called "Pongal" is cooked in 3 clay pots. G. Akshaya, student Teacher headed the traditional practices of cooking Pongal along with other student teachers. This delicacy is made from newly harvested rice boiled with milk and jaggery, coconut and ghee along with spices such as cardamom, raisins and cashews. The overflow of the milk is seen as a symbol of prosperity and abundance and students celebrated that moment by shouting 'Pongalo Pongal'.

# STUDENTS' COUNCIL MEETING

## 16.02.2024

The purpose of the Student Council (SC) is to serve as the effective communication medium between the administration and students. Even though there is a fair chance to every student to communicate at any time with the administrative officials, Student Council acts as the interactive body facilitating primary level of communication. Student Council also assists in planning and development of various cultural, sports, social, recreational and other educational interests of students in the institution. The student council provides scope to contribute in the development of students' leadership skills, program planning and volunteering.

Students' Council of Muslim College of Education consists of the following members, namely: 1. President 2. Vice President 3. Secretary 4. Joint Secretary 5. Tour Secretary 6. Magazine Secretary 7. Joint Magazine Secretary 8. Placement Secretary 9. Fine Arts Secretary.

Mrs. Merline Jeya, coordinator of the Students' Council also acts as the advisor of the student members in the Students' Council.

IQAC Muslim College of Education selected the following students as the members of Students' Council

### Optional wise Representatives
